

I N V I C T O R Y

WRITTEN BY A. VAN WYK

**God of grace, you've given me
Your plans of hope and I believe
That I am healed, I've been set free
With Christ I stand in victory**

**In every season You are here
You conquered doubts, You cast out fears
At the cross my life arose
I reign in Jesus Christ the Lord**

**It is done, it is done
The finished work of Christ the Son
It is done, I am complete
With Christ I stand in victory**

**God of grace, You've given me
Your plans of hope and I believe
That I am healed, I've been set free
With Christ I stand in victory
With Christ I stand in victory**

**It is done, it is done
The finished work of Christ the Son
It is done, I am complete
With Christ I stand in victory**

**I'm justified by Christ the Son
For on that day salvation won
I stand completed in Your grace
Oh now I see You face to face**

**It is done, it is done
The finished work of Christ the Son
It is done, I am complete
With Christ I stand in victory**
