

M O U N T A I N M O V E R

WRITTEN BY H. STANDER

**You broke the walls down, here I am
No space between us
Now I stand in You
I'm found in You**

**I'm awakened to the truth
From the start
You made me like You
To be like You**

**Now I stand in freedom
Blameless in the Truth**

**As I behold Creator God
I'm swept into Your never-ending love
You are the mountain moving Saviour
Alive in me**

**Mountain mover
You have made a way
You define me
You have called my name
Mountain mover
You have made a way
You define me
You have called my name**

**As I behold Creator God
I'm swept into Your never-ending love
You are the mountain moving Saviour
Alive in me**
