

# LOVE HAS A WAY

WRITTEN BY A. VAN TONDER & R. SMIT

**From the start, your love has called my name  
'Till the end, You will stay the same  
Through the ages time and time again  
God my rock, who can stand against**

**Whoooohoooohoooo love has a way  
Whoooohoooohoooo love has a way**

**On the cross, the ransom that You chose  
From that grave my destiny arose  
By Your love everything has changed  
God my rock, who can stand against?  
God my rock, who can stand against?**

**Whoooohoooohoooo love has a way  
Whoooohoooohoooo love has a way  
Love has a way through the fire  
Love made a way through the storm  
Forever Your love is relentless  
Nothing impossible**

**For this I know Your love is my hope  
Oooooh oooooh oooooh love has a way**

**Love has a way through the fire  
Love made a way through the storm  
Forever Your love is relentless  
Nothing impossible  
Whoooohoooohoooo love has a way  
Whoooohoooohoooo love has a way**

**Whoooohoooohoooo love has a way  
Whoooohoooohoooo love has a way**
